 - i) ionizing radiations or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel and for the purposes of this exception combustion shall include any self-sustaining process of nuclear fission.
 - ii) nuclear weapons material.
4. any loss or destruction of or damage to any property whatsoever or any loss or expense whatsoever resulting or arising therefrom or any consequential loss.

8.2 Property Cyber and Data Endorsement (LMA5400)

1. Notwithstanding any provision to the contrary within this Policy or any endorsement thereto this Policy excludes any:
 - 1.1 Cyber Loss, unless subject to the provisions of paragraph 2;
 - 1.2 loss, damage, liability, claim, cost, expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any Data, including any amount pertaining to the value of such Data, unless subject to the provisions of paragraph 3;regardless of any other cause or event contributing concurrently or in any other sequence thereto.

2. Subject to all the terms, conditions, limitations and exclusions of this Policy or any endorsement thereto, this Policy covers physical loss or physical damage to property insured under this Policy caused by any ensuing fire or explosion which directly results from a Cyber Incident, unless that Cyber Incident is caused by, contributed to by, resulting from, arising out of or in connection with a Cyber Act including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any Cyber Act.
3. Subject to all the terms, conditions, limitations and exclusions of this Policy or any endorsement thereto, should Data Processing Media owned or operated by the Insured suffer physical loss or physical damage insured by this Policy, then this Policy will cover the cost to repair or replace the Data Processing Media itself plus the costs of copying the Data from back-up or from originals of a previous generation. These costs will not include research and engineering nor any costs of recreating, gathering or assembling the Data. If such media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank Data Processing Media. However, this Policy excludes any amount pertaining to the value of such Data, to the Insured or any other party, even if such Data cannot be recreated, gathered or assembled.
4. In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.
5. This endorsement supersedes and, if in conflict with any other wording in the Policy or any endorsement thereto having a bearing on Cyber Loss, Data or Data Processing Media, replaces that wording.

Definitions

6. Cyber Loss means any loss, damage, liability, claim, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any Cyber Act or Cyber Incident including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any Cyber Act or Cyber Incident.
7. Cyber Act means an unauthorised, malicious or criminal act or series of related unauthorised, malicious or criminal acts, regardless of time and place, or the threat or hoax thereof involving access to, processing of, use of or operation of any Computer System.
8. Cyber Incident means:
 - 8.1 any error or omission or series of related errors or omissions involving access to, processing of, use of or operation of any Computer System; or
 - 8.2 any partial or total unavailability or failure or series of related partial or total unavailability or failures to access, process, use or operate any Computer System.
9. Computer System means:
 - 9.1 any computer, hardware, software, communications system, electronic device (including, but not limited to, smart phone, laptop, tablet, wearable device), server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output, data storage device, networking equipment or back up facility, owned or operated by the Insured or any other party.
