NEED TREATMENT?

The importance of pre-authorisation

We want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

Why should I pre-authorise treatment?

So that **you** can tell **us** about **treatment** that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details. **We** can then:

- check if the policy covers your treatment
- check if the provider is part of our network
- o help you find a provider within our network
- explain any limits that apply
- tell the provider that you are a Bupa Global member.
 We have agreements with our network providers for treatment charges
- case-manage complex **treatment**. The table of benefits clearly shows the complex **treatments we** want **you** to tell **us** about. Please contact **us** if **you** need any of these.
 We may ask for more information (for example to check if any policy exclusion applies)
- see if we can pay any bills directly to the provider.
 This will mean you don't have to pay and claim the costs from us.

If you have treatment with a provider who is not part of the network, we may only pay costs that are reasonable and customary. This could leave you with a shortfall to pay.

Before **we** can authorise **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

We may appoint an independent medical professional and ask **you** to have a medical examination with them (at **our** cost). They will then give **us** a medical report.

Remember we can offer a second medical opinion service

The solution to health problems isn't always black and white. That's why **we** offer **you** the opportunity to get another opinion from an independent **specialist**.

When **you** have pre-authorised **treatment** with one of **our network** providers, **we** will cover the costs if, at the time **you** have that **treatment**:

- the policy is in force
- you are covered by the policy
- o premiums are paid up to date
- the pre-authorisation is still valid. When we authorise treatment, we will tell you how long it is valid for.

How do I pre-authorise my treatment?

Login to the MembersWorld app, go to https://membersworld.bupaglobal.com or contact us by phone or email. When we have the details, we will send you and the provider a pre-authorisation statement.

What if my pre-authorisation is no longer valid? Can I get a new one?

Yes. Just follow the process again.

What if I need to go to hospital in an emergency?

In an emergency there might not be time to contact **us**. If this happens, it is important that the hospital contacts **us** within 48 hours.

Our approach to costs

When you are in need of a benefits provider, our dedicated team can help you find a Recognised medical practitioner, hospital or healthcare facility within network. Alternatively, you can view a summary of benefits providers on Facilities Finder at www.bupaglobal.com/facilitiesfinder. Where you choose to have your treatment and services with a benefits provider in network, we will cover all eligible costs of any covered benefits, once any applicable co-insurance or deductible amount which you are responsible to pay has been deducted from the total claimed amount.

Should you choose to have covered benefits with a benefits provider who is not part of network, we will only cover costs that are Reasonable and Customary. This means that the costs charged by the benefits provider must be no more than they would normally charge, and be similar to other benefits providers providing comparable health outcomes in the same geographical region. These may be determined by our experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established treatment plans, which outline the most

appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-**network**' **benefits provider** will not be paid. This means that, should **you** choose to receive **covered benefits** from an 'out-of-**network**' **benefits provider**:

- you will be responsible for paying any amount over and above the amount which we reasonably determine to be Reasonable and Customary – this will be payable by you directly to your chosen 'out-of-network' benefits provider:
- we cannot control what amount your chosen 'out-of-network' benefits provider will seek to charge you directly.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-**network' benefits provider** in an **emergency**. If this happens, **we** will cover eligible costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been deducted).

If you are taken to an 'out-of-network' benefits provider in an emergency, it is important that you, or the benefits provider, contact us within 48 hours of your admission, or as soon as reasonably possible in the circumstances. If it is the best thing for you, we may arrange for you to be moved to a benefits provider in network to continue your treatment once you are stable. Should you decline to transfer to a benefits provider in network only the Reasonable and Customary costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been deducted).

Additional rules may apply in respect of **covered benefits** received from an 'out-of-**network**' **benefits provider** in certain countries.

These charge levels may be governed by guidelines published by relevant government or official medical bodies in the particular geographical region, or may be determined by **our** experience of usual, and most common, charges in that region.

Pre-authorisation complete and now going for treatment?

Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your** benefits provider when **you** arrive.

WANT TO ADD MORE PEOPLE TO YOUR MAJOR MEDICAL GLOBAL HEALTH PLAN?

You can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form. You can download this easily from https://membersworld.bupaglobal.com
Or you can contact us and we will send one to you.

It is possible to add **dependants** on to a different **health plan**.

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or **we** may decline to offer cover. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** insurance certificate.

Adding your newborn child?

Congratulations on your new arrival!

To add **your** newborn baby you will need to send **us** a completed newborn application form. If:

- either parent has been a **Bupa Global** member for at least
 18 months before the baby's birth, and
- we receive the application form within 30 days of the baby's birth

we will add the baby to the policy from their date of birth.

However, if:

- o neither parent has been a **Bupa Global** member for at least 18 months before the baby's birth, or
- we receive the application form more than 30 days after the baby was born

cover will start on the date that **we** receive the application form.

When **you** apply, the baby's medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or **we** may decline to offer cover. This means that if the baby has medical conditions that need **treatment**, these might not be covered by the policy.

YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

Benefit limits

There are two kinds of benefit limits shown in this table:

- 1. The 'overall annual maximum' the maximum amount **we** will pay in total for all benefits, for each person, in each **policy year**.
- 2. Individual benefit limits the maximum amount **we** will pay for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no further benefits will be paid, regardless of the **renewal** of **your health plan**.

Currencies

All the benefit limits and notes are set out in two currencies: USD and HKD. The currency in which **you** pay **your** premium is the currency that applies to **your health plan** for the purpose of the benefit limits.

Waiting periods

You will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated.

How does the deductible work?

Your deductible is the annual amount **you** must pay each **policy year** towards covered expenses before **we** start paying. There is no deductible as standard with an option to increase it to USD 4,000 or USD 10,000. It's important that **you** send all **your** claims to **us**, even if the value of **your** claim is less than the **deductible**. **We** won't make any payment, but the claim will count towards **your** deductible. If **your** claim is for an amount higher than the value of **your** deductible or remaining deductible, **we** will pay costs in line with **your** benefit limits.

The **deductible** applies:

- o per policy year
- separately for each person

EXAMPLE

You have chosen a **\$4,000 deductible** on your **health plan**

You have treatment in hospital for a broken leg which costs \$6,000

Amount paid by **you** is **\$4,000**

Amount paid by **us** is **\$2,000**

Remaining **deductible** for the rest of the **policy year**

is **\$0**

YOUR EXCLUSIONS

In the 'General exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. In addition to these **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** insurance certificate.

Do you have cover for pre-existing conditions?

When you applied for your health plan you were asked to provide all information about any disease, illness or injury for which you received medication, advice or treatment, or you had experienced symptoms before you became a customer – we call these pre-existing conditions.

Our medical team reviewed your medical history to decide the terms on which we offered you this health plan. We may have offered to cover any pre-existing conditions, possibly for an extra premium, or decided to exclude specific pre-existing conditions or apply other restrictions to your health plan. If we have applied any personal exclusion or other restrictions to your health plan, this will be shown on your insurance certificate. This means we will not cover costs for treatment of this pre-existing condition, related symptoms, or any condition that results from or is related to this pre-existing condition. Also we will not cover any pre-existing conditions that you did not disclose in your application.

If we have not applied a personal exclusion or restriction to your insurance certificate, this means that any pre-existing conditions that you told us about in your application are covered under your health plan.

General exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or treatments
- additional or increased costs arising from excluded conditions or treatments
- complications arising from excluded conditions or treatments

Important note

Our global health plans are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and we are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not you or your dependants are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group health plan, you should speak to your health plan administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable** and **Customary**. Additional rules may apply in respect of **covered benefits** received from an 'out-of-**network**' **benefits provider** in certain specific countries. This applies whether **we** pay the benefit provider directly, or **you** pay the costs and claim this back from **us**.

TERMS AND CONDITIONS

No	CLAUSE
1.	Your policy
1.1	The definitions set out in the "Glossary" in the Guide to your Bupa Global health plan apply to these Terms and Conditions and are marked in bold.
1.2	This policy is an insurance contract between you the policyholder and Bupa Global for each policy year.
1.3	No other persons, including any dependants , may enforce any legal rights under this insurance contract. Dependants may use our complaints process set out in clause 15 below.
1.4	This insurance contract is set out in: these Terms and Conditions; the Guide to your Bupa Global health plan; the information and declarations in your application form; and the insurance certificate.
1.5	If you the policyholder add dependants to this policy, those dependants will be covered by this policy from the date shown on the updated insurance certificate sent to you the policyholder.
2.	Your cover
2.1	We will pay for the cost of any covered benefits in accordance with the terms of this policy and as defined in the Guide to your Bupa Global health plan.
2.2	Your health plan may include a mandatory annual deductible, which will be shown in the Guide to your Bupa Global health plan. You may also have an optional annual deductible, if available and selected by you the policyholder in your application form. Your deductibles will be shown on your insurance certificate and your insurance card. All annual deductibles apply to you the policyholder and each of the dependants separately. You the policyholder and each dependant may have different annual deductible amounts. You will have a new
	annual deductible if this policy renews. If an annual deductible applies, you must pay the cost of any covered benefits received directly to the provider until you have reached the level of your annual deductible .
	Costs in excess of the maximums shown in the Guide to your Bupa Global health plan will not count towards your annual deductible .
	The cost of any covered benefits you receive which are covered by your annual deductible (excluding costs in excess of the maximums shown in the Guide to your Bupa Global health plan), count towards the maximum cover limits shown in the Guide to your Bupa Global health plan .
	Even if the amount you are claiming is less than the amount of your annual deductible , you should still submit a claim to us so we know when you have reached the level of your annual deductible .
	As this is an annual deductible , if your first claim is towards the end of the policy year and your covered benefits continue over your renewal date, the annual deductible is payable separately for the covered benefits received in each policy year .
2.3	Your health plan may include a mandatory co-insurance, which will be shown in the Guide to your Bupa Global health plan. You may also have an optional co-insurance, if available and selected by you the policyholder in your application form. Your co-insurance will be shown on your insurance certificate and your insurance card
	You must pay for the co-insurance proportion of the cost of any covered benefits to which the co-insurance applies directly to the benefits provider.

No	CLAUSE
2.4	Should we be required for any reason to pay a benefits provider an amount which is covered by any annual deductible or co-insurance we will then collect payment from you for that amount.
	You authorise us to take this payment from you under the direct debit agreement or credit card authority you have given to us in your application form or as updated.
	If this policy has an annual deductible or co-insurance you must ensure that we always have a valid direct debit agreement or credit card authority that enables us to take payment of any annual deductible or co-insurance we have paid.
	You must update the direct debit agreement or credit card authority you have given to us when necessary or when requested by us. Otherwise it may cause delays in our paying claims. We will not pay claims until we have received any outstanding annual deductible or co-insurance payments
2.5	You must obtain pre-authorisation for any covered benefits where it is stated that this is required in the Guide to your Bupa Global health plan.
	Details of how to pre-authorise covered benefits are available in the Guide to your Bupa Global health plan .
2.6	Before we pre-authorise any covered benefits or pay any claim, we are entitled to request additional information, such as medical reports, and we may require that you have a medical examination by an independent medical practitioner appointed by us (at our cost) who will then provide us with a medical report
	If this information is not provided in a timely manner once requested this may result in a delay in pre-authorisation and to your claims being paid. If this information is not provided to us at all this may result in your claims not being paid.
2.7	In certain situations we may pay for medical services or benefits which are not covered by this policy . This is called a discretionary or ex gratia payment and may include, should we determine not to seek to recover it, a payment made at our error. Any payment that we may make on this basis will still count towards the overall annual maximum limit that applies to this policy . If we make a payment like this it does not mean that we are required to pay identical or similar costs in the future.
3.	Premium & Payment
3.1	You should pay your premiums direct to Bupa Global . If you pay your premiums to anyone else, such as an intermediary or insurance broker, we are not responsible for ensuring those persons pass the premium on to us .
3.2	If we do not receive your premium (or any instalment) or any other payment you owe us under this policy by the due date, we will write to you the policyholder requesting payment by a specific date, which will be not less than 30 days after the date we issue our letter or email to you .
	If we do not receive payment by that date, this policy will be cancelled and all rights under this policy will cease from the original date on which your premium (or the first missed instalment) or other payment should have been received.
	We will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of your control, such as a bank error
3.3	If we incorrectly make any payment to either a benefits provider for treatment or benefits received by you but not covered by this policy , or to you , we reserve the right to deduct the amount we incorrectly paid from your future claims or seek repayment from you .

6.2	This policy lasts one year:
	 the policyholder can only make changes at renewal any waiting periods would not re-start.
5.3	We may make changes to the policy before renewal :
	 if laws or regulators say we must, or to improve cover for all members with the same product.
	If so, we will write to tell you about the changes.
5.4	If we reasonably consider that by continuing this policy we or you may breach any: o law o regulation o code or o court order
	the policy can end immediately.
	This policy does not provide cover if this would expose us (or the Bupa group) to any:
	 sanction, prohibition or restriction under United Nations resolutions or trade or economic sanctions, laws or regulations of Hong Kong, the European Union, UK or U.S.
	We will not provide cover and we will not pay any claim or provide any benefit under this insurance, if doing so would:
	 break any United Nations resolution, or any trade or economic sanctions, laws or regulations that apply to us (including those of the European Union, the UK, and / or the U.S.), or put us at risk of being sanctioned by any relevant authority or competent body, or put us at risk of being involved (directly or indirectly) in something which any relevant authority, banks we use, or competent body would consider to be banned or restricted.
	If any resolutions, sanctions, laws or regulations referred to in this clause apply (or start to apply), we can take any action we consider necessary, to make sure we continue to work within them. If this happens, you acknowledge that this may restrict, delay or end our obligations under your plan, and we may not be able to pay any claim.
5.5	If you ask to add a new dependant to this policy, we will review that person's medical history. We may not agree to add the person to this policy, or we may add special restrictions or exclusions to the cover for that new dependant. We may, at our discretion, agree to provide cover for certain pre-existing conditions of the new dependant. You must pay any additional premium. Children may be added without medical history or additional premium being required where this is provided for (and in accordance with any relevant requirements) in your Guide to your Bupa Global health plan. For certain health plans, we may not be able to add dependants who are over a certain age at the time we receive the request for them to be added to this policy.

8.	Ending your policy or removing a dependant from cover
8.1	Cancellation: The policyholder can at any time:
	 cancel the entire policy, which will end cover for everyone; or cancel cover for a dependant.
	To do this, please tell us by telephone, email or post.
	The change will take effect 14 days after the policyholder tells us about the change. Please note:
	 we will not back-date the cancellation date and will not pay claims for treatment which takes place after the policy ends.
8.2	Refund timeframes: The refund of any premium will depend on the date the policyholder cancels the entire policy or the policy of a dependant. There are two scenarios:
	A. Cancellation within the first 30 days of the policy ; or B. Cancellation after the first 30 days of taking out the policy .
	A. Cancellation within the first 30 days of cover: If the policyholder cancels the entire policy :
	 within the first 30 days of cover starting for that policy year, and there have been no claims for treatment which took place in that 30-day period
	we will refund all premiums paid for that policy year.
	If the policyholder cancels cover for a dependant :
	 within the first 30 days of cover starting for that dependant for that policy year, and there have been no claims for treatment for that dependant which took place in that 30-day period
	we will refund all premium paid for that dependant for that policy year.
	Important: In either case, where a claim has been made in the first 30 days of cover either by the policyholder or a dependant , we will treat this as acceptance to have a policy with us . This means if you wish to cancel the policy , it will be treated as cancellation taking place after the first 30 days (section B below).
	B. Cancellation after the first 30 days of cover: If the policyholder cancels the entire policy :
	 after the first 30 days of cover for that policy year, or there have been claims for treatment which took place in the first 30 days of cover
	we will cancel the policy 14 days from the date the policyholder asked us (as mentioned in section 8.1 above). And we will refund any premiums already paid for after the 14-day cancellation period.
	For example, if the policyholder cancels the entire policy on 1 March, we will refund any premium paid for 15 March onwards.
	If the policyholder cancels cover for a dependant :
	 after the first 30 days of cover for that policy year, or there have been claims for treatment for that dependant which took place in those first 30 days of cover
	we will refund any premium already paid for that dependant for after the 14-day cancellation period.
	For example, if the policyholder cancels the cover for a dependant on 1 March, we will refund any premium paid for 15 March onwards.
8.3	Refund of premium: We will refund you on the same method you used to pay premium. This means the refund will go back into your bank account, credit card, debit card or via a cheque.

Please be aware that if **you** have any outstanding payments with **us**, **we** may deduct this from the refund.

Otherwise, the following apply with effect from the date the plan was taken out, renewed or varied (depending on when we were provided with inaccurate or incomplete information).
	A. We may treat this plan as if it had not existed if you deliberately or recklessly give us inaccurate or incomplete information.
	B. Where you negligently or carelessly give us inaccurate or incomplete information, or where A. applies but we choose not to rely on our rights under A, we may treat the plan and any claims in a way which reflects what we would have done if we had been provided with accurate and complete information, as follows:
	 if we would have refused to cover you at all, we may treat this plan as if it had not existed; if we would have provided you with cover on different terms, then we may apply those different terms to this plan. This means a claim will only be paid if it is covered by and/or if you have complied with such different terms - for example your plan may contain new personal restrictions or exclusions; and/or if we would have charged you a higher premium, we may reduce the amount payable on any claim by comparing the additional premium to the original premium. For example, we will only pay half of a claim, if we would have charged double the premium.
	Where it is a dependant (or you on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the plan which applies to the dependant , or to claims made by that dependant .
	The same rules apply if someone else provides us with information on your behalf or any dependant's behalf.
