NEED TREATMENT?

We understand that seeking treatment can be stressful. Follow the steps below so we can look after the details – while you can concentrate on getting better.

Check your level of cover

First, check that your plan covers the treatment you are seeking. Your Table of Benefits will confirm what is covered. However you can always call our 24/7 multilingual Helpline if you have any queries

Some treatments require pre-approval

Your Table of Benefits will show which treatments require our pre-approval (via a Treatment Guarantee Form). These are mostly in-patient and high cost treatments. The pre-approval process helps us assess each case, organise everything with the hospital before your arrival and make direct payment of your hospital bill easier, where possible.

For further information on the Treatment Guarantee process, please refer to your Benefit Guide or contact our multilingual Helpline. Please note that we may decline your claim if Treatment Guarantee is not obtained.

GETTING IN-PATIENT TREATMENT

In the event that you or any of your dependants need to be hospitalised, please follow the steps below. Our Medical Team will then be able to verify your cover and facilitate smooth admission into care:

Download a Treatment Guarantee Form from our website:
www.allianzcare.com/members

Complete the form and send it to us at least five working days before treatment. You can send it by email, fax or post to the address shown on the form.

We contact the hospital to organise payment of your bill directly, where possible.

Once we receive all information we need, our Medical Team will review the information provided and will issue a Guarantee of Payment to the medical provider, authorising the treatment. If we need more information we may need to contact you, your doctor or your medical provider and this may delay the process.

Our team will provide you with updates at key stages throughout the pre-approval process (i.e. when a form is received, when further information is required or when a Guarantee of Payment has been issued).

In case of an emergency:

1. Get the emergency treatment you need and call us if you need any advice or support.
2. If you are hospitalised, either you, your doctor or one of your dependants needs to call our Helpline (**within 48 hours** of the emergency) to inform us of the hospitalisation. At this point we will take all of the required details over the phone.

GETTING OUT-PATIENT OR DENTAL TREATMENT

If your treatment does not require our pre-approval, you can simply pay the bill and claim the expenses from us. In this case, simply follow these steps:

Receive your medical treatment and pay the medical provider.

Get an invoice from your medical provider. The invoice must state clearly:

- ✓ Your name
- ✓ Treatment date(s)
- ✓ Medical condition treated and type of treatment
- ✓ Date you first experienced the symptoms
- ✓ Treatment cost

Claim back your eligible costs via our MyHealth app or online portal (www.allianzcare.com/en/myhealth.html).

Simply enter a few key details, add your invoice(s) and press 'submit'.

Please send us your claim together with all supporting documentation, invoices and receipts.

*Don't forget:
You must submit your claims
within the claiming deadline set
out in your Benefit Guide, available
at [https://my.allianzcare.com/

*The
Number 1 reason for
claims not being processed
swiftly is incomplete information.
Please ensure that all details
related to your claim are provided
provided with the claim or
invoice.*

Quick claim processing

Once we have all the information required, we can process and pay a claim within 48 hours. However, we can only do this if you have told us the medical condition treated, so please make sure you include this with your claim. Otherwise, we will need to request the details from you or your doctor.

We will email or write to you to let you know when the claim has been processed.
