Exclusions

What's not included in the health plans

Our International Health Plans are designed to cover treatment of medical conditions that respond quickly to treatment - known as acute conditions. Like most health insurance policies, there are a number of exclusions and limitations on the plans and this is just a summary of the most significant exclusions and limitations:

- Treatment of medical conditions you had, or had symptoms of, before you joined
- Routine dental check-ups for Comprehensive or Prestige plans (available as an optional upgrade to Comprehensive and Prestige plans)
- Routine pregnancy and childbirth on Comprehensive plans
- Preventative treatment
- Any treatment costs incurred as a result of engaging in or training for any sport for which you receive a salary or monetary reimbursement, including grants or sponsorship (unless you receive travel costs only).
- Claims if you travel outside your area to get treatment or against medical advice
- USA cover excluded on all plans unless this has been selected with your cover
- Treatment that you receive in the UK from providers that are not listed in our Directory of Hospitals
- The costs of arranging treatment

Full details of what members are and are not covered for are provided in the membership handbook, or are available on request.
