

Summary of *benefits*

For companies based in Hong Kong and surrounding countries.

When it comes to healthcare, one size doesn't fit all. Global Health Adapt gives you the flexibility to build the right healthcare plan for your business.

All prices supplied are in US dollars.

1 Choose your area of cover

This determines which countries your employees will be covered for treatment. You can choose to provide different employees with the area of cover that's right for them.

- Worldwide
- Worldwide excluding USA

2 Decide whether to add an excess

Adding an excess will lower your premiums. Your employees will need to pay this once per person, per policy year if they need treatment.

- No excess
- \$160
- \$400
- \$800
- \$1,600
- \$3,200

3 Choose your modules

No matter what modules you select, your employees will have the Core module included, you just need to select the limit you'd like. From there, you can choose which modules work for you.

Core module – see page 2 - 3 included as standard

Build your cover from a choice of these optional modules

Semi-private room – see page 4

Outpatient – see page 4

Drugs and dressings* – see page 5

Health check* – see page 5

Pregnancy and childbirth* – see page 6

Assisted fertility* – see page 7

Upgraded dental care* – see page 7

Optical* – see page 8

*These modules can only be selected if the Outpatient module has been chosen
