# The importance of pre-authorisation

**We** want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

## Why you should pre-authorise treatment

So that **you can** tell **us** about treatment that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details.

**We** can then:

- check if **we** cover **your** treatment
- check if the provider is part of **our network**
- help **you** find a provider within **our network**
- explain any limits that apply
- tell the provider that **you** are a **Bupa Global** member. **We** have agreements with **our network** providers for treatment charges
- case-manage complex treatment. The 'Table of benefits' clearly shows the complex treatments **we** want **you** to tell **us** about. Please contact **us** if **you** need any of these. **We** may ask for more information (for example to check if any policy exclusion applies)
- see if **we** can pay any bills directly to the provider. This will mean **you** don't have to pay and claim the costs from **us**.

If **you** have treatment with a provider that is not in **our network**, **we** may only pay costs that are reasonable and customary. This could leave **you** with a shortfall to pay.

Before **we** can approve **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

**We** may appoint an independent medical professional and ask **you** to have a medical examination with them. If **we** do this, **we** will pay for it. They will then give **us** a medical report.

## Pre-authorised treatment with our network providers

When **you** have pre-authorised **treatment** with a provider that is in **our network**, **we** will cover the costs if, when **you** have it:

- the plan is in force
- **you** are covered by the plan
- premiums are paid up to date
- the pre-authorisation is still valid.

When **we** approve **treatment**, **we** will tell **you** how long the pre-authorisation will be valid for. If **you** need more **treatment** after this, **you** can request a new pre-authorisation.

## How to pre-authorise treatment

Log into the MembersWorld app, go to <https://membersworld.bupaglobal.com> or contact **us** by phone or email. When **we** have the details, **we** will send **you** and the provider a pre-authorisation statement.

## If you need to go to hospital in an emergency

In an emergency there might not be time to contact **us**. If this happens, it is important that the **hospital** contacts **us** within 48 hours of **your** admission.

# The claiming process

## If you need assistance with a claim you can

- o Go online at <https://membersworld.bupaglobal.com>
- o Call **us** at any time on +852 2531 8503
- o Email [service.hk@bupaglobal.com](mailto:service.hk@bupaglobal.com)

## Our process

Whether **you** choose direct settlement or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**.

In general, **we** can only arrange direct settlement for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a **hospital** or healthcare facility in **our network**.

## How to make a claim

The quickest way to make a claim is by using **your** MembersWorld account. **You** have the choice of making an online claim or uploading a completed claim form.

Make sure **we've** got all the information **we** ask for. The biggest delays to paying a claim are incomplete, missing or unreadable information.

Make sure **you** give **us your** correct bank details. Bank transfer is by far the quickest way to receive **your** payment.

## Direct settlement

Contact **us** for pre-authorisation through MembersWorld or by phone.

**We** check if **your** treatment is covered and confirm with **you** and the provider if direct settlement can be applied. **We** send the provider a pre-authorisation statement. **We** will also send **you** a copy if **you** ask **us**.

**We** pay the provider directly.

## Pay and claim

After **your** treatment, **your** medical provider should provide **you** with an itemised invoice. They may also give **you** other supporting documents. This could be a medical report, consultation notes, or test results.

**You** should log into MembersWorld to submit the claim. **Our** claim submission portal will guide **you** through the claim. **You** can submit the invoice for assessment along with any supporting documents there too.

**We** will pay **you** to the bank account with the details **you** have given **us**. Please make sure that **your** bank accepts **your** preferred payment currency.

When **we** have assessed and paid **your** claim, **you** will be able to see a payment statement in MembersWorld. This will show when and how **your** claim was paid, and who received the payment. This will include the details of any **co-insurance** or **deductible** applied to the claim.

## Choice of Deductible

### Choose your deductible

The deductible is the contribution you make towards the cost of your treatment each policy year before receiving payment.

EUR: Nil / 350 / 1,050 / 4,000 / 8,000 / 16,000

GBP: Nil / 250 / 750 / 2,750 / 5,500 / 11,000

USD: Nil / 400 / 1,600 / 5,000 / 10,000 / 20,000

You can choose to take out your plan with or without a deductible, in any of the three currencies.

Taking out a deductible lowers your premium.

The deductible does not apply to Medical Evacuation and Repatriation and/or Dental and Optical modules.

# Table of Benefits

## All amounts are in EUR/GBP/USD.

The currency chosen for the **insurance** at point of **application** is the currency all your payments will be based on. ## Hospital Plan

Glossary

## Art. 1

### Acceptance of the insurance

1.1: The **insurance** policy is insured and underwritten by Bupa (Asia) Limited., hereinafter called the **Company** and administered by the **Company** and **Bupa Global**. The **Company** shall decide whether the **insurance** can be accepted. In order for the **insurance** to be accepted and the **Company** to become the insurer, the **application** must be approved by the **Company** and the necessary premium paid to the **Company**.

1.2: In order for the **insurance** to be accepted by the **Company** on **standard terms**, the **applicant** must be of sound health at the time of acceptance and must not suffer nor have suffered from any recurring disease, illness, injury, bodily infirmity or physical disability (see also glossary term '**pre-existing conditions**'), and the **applicant** must not have attained 60 years of age at the time of acceptance.

If the conditions in Art. 1.2 are not met and the **applicant** has not attained 80 years of age at the time of acceptance, the **Company** may offer the **insurance** on **special terms**. If the **Company** decides to offer the **insurance** on **special terms**, the **policyholder** will receive an **insurance certificate** in which these terms are stated.

1.2.1: All underwriting and issuance of **insurance certificates** are made by the **Company**. The **Company** may choose to have data processed in or outside the EU.

1.3: In the event of a change in the **applicant's** state of health after the **application** has been signed and before the **Company's** approval thereof, the **applicant** shall be under the obligation to notify the **Company** of such change immediately.

1.4: The currency chosen for the **insurance** cannot be changed after the **Company's** acceptance of the **application**.

## Art. 2

### Original date of joining

2.1: The **insurance** shall be valid as of the date on which the **application** is approved by the **Company**. The **Company** may agree on another date with the **policyholder**.

## Art. 3

### Waiting periods in connection with new insurance contracts and extension of cover

3.1: When a new **insurance** contract is entered into, the right to payment under the new **insurance** contract shall only take effect four weeks after the **original date of joining** of the **insurance**. However, this does not apply when the **policyholder** can prove simultaneous transference

from an equivalent insurance with another international health insurance company.

3.1.1: In the event of **acute serious illness** and **serious injury**, the right to payment shall, however, take effect concurrently with the **original date of joining** of the **insurance**.

3.1.2: In addition, the **waiting periods** listed below shall apply for the **insurance** contract:

a) for expenses incurred in connection with pregnancy and childbirth and consequences thereof, the right to payment shall only take effect 12 or 18 months after the **original date of joining** of the **insurance**. 18-month **waiting period** only applies to **insurances** with an **original date of joining** on or after 1 November 2024.

b) for expenses incurred for orthodontics the right to payment shall only take effect 24 months after the **original date of joining** of the **insurance**.

3.2 This contract lasts one year. The **policyholder** can ask to make changes to the **deductible** and to optional modules. To do this they must give the **Company** one month's notice. Any changes take effect on the next **policy anniversary**. The currency the **policyholder** chose cannot change. The premium will be lower if they:

- add or increase a **deductible** or
- remove an option.

The premium will be higher if they:

- remove or reduce a **deductible** or
- add an option.

3.3 To improve their cover, they will need to complete a medical history form. This means that **we** may add new special restrictions or exclusions to your new cover. These are personal to you.

3.4: Any improved cover has a **waiting period** of four weeks. During the **waiting period**, the previous cover applies. If a benefit has a **waiting period** of longer than four weeks, that longer **waiting period** applies.

3.4.1: **We** won't apply the four-week **waiting period** if you have:

- an **acute serious illness**, or
- a **serious injury**.

## Art. 4

### Who is covered by the insurance?

4.1: The **insurance** shall cover the **customer(s)** named in the **insurance certificate**, including children registered therein.

4.2: Children under 10 years of age can be insured at no extra cost with identical coverage of the paying adult if the requirements for acceptance on **standard terms**, see also Art. 1.2, are met. A maximum of two children at no extra cost per paying adult, and a total maximum of four children at no extra cost per **insurance** apply.

4.2.1: Cover at no extra cost for children shall furthermore be subject to:

- the child being registered with the **Company**, and
- one of the **customers** having legal custody of the child, and
- the child being registered at the same address as the **customer** having legal custody of the child.

4.3: An **application** must be submitted for each person the **policyholder** wishes to add to the **insurance**, including newborn children.

4.3.1: If the **insurance** of one of the parents has been valid for a minimum of 12 or 18 months, newborn children of the parent can be insured, irrespective of Art. 1.2, without submitting an **application**, see also however, Art. 12.2 f). A copy of the birth certificate must, however, be submitted within three months after the birth.

18-month minimum only applies to **insurances** with an **original date of joining** on or after 1 November 2024.

If the birth certificate is not submitted to the **Company** within three months after the birth, a Medical Questionnaire must be submitted for the child who has to undergo the standard underwriting

procedure according to Art. 1.2. Registration of the child will take place from the date the Medical Questionnaire has been signed.

4.3.2: In case of adoption and for children born as a result of infertility **treatment** and/or born by a surrogate, the **customer** must submit a Medical Questionnaire for such children.

#### Art. 5

##### Where is cover provided?

5.1: The **insurance** shall provide worldwide cover unless otherwise stated in the **insurance certificate**.

#### Art. 6

##### What is covered by the insurance?

6.1: The **insurance** shall cover the medical expenses incurred by the **customer** in accordance with the cover chosen and the applicable Table of Benefits. The benefits for which expenses are covered and the **benefit limits** are stated in the Table of Benefits.

6.2: Payment shall be paid following **our** approval of the expenses as being covered by the **insurance** after the receipted and itemised invoices, provided with the **membership** number and a claim form, have been received by **us**. (see also the claiming process page at the start of this guide).

6.3: Once the covered expenses have met the annual **deductible**, the amount payable will be paid. If your claim is for an amount higher than the value of your **deductible** or remaining **deductible**, **we** will pay for covered expenses after the **deductible** has been met in full. Once your **deductible** has been reached, all covered expenses will be paid in line with your **benefit limits**. The **deductible** shall apply per person per policy year.

6.3.1: In case of an accident where three or more **family members** insured with the **Company** are involved, only one **deductible**, the highest, is applied.

6.4: Medical practitioners performing **treatment** must have authorisation in the country of practice. Medical providers and facilities must also be authorised (see also art. 12.2 n).

6.5: In no event shall the amount of payment exceed the amount shown on the invoice. If the **customer** receives payment from the **Company** in excess of the amount to which he/she is entitled, the **customer** shall be under the obligation to repay the **Company** the excess amount immediately, otherwise the **Company** will set off the excess amount in any other account between the **customer** and the **Company**.

6.6: Payments shall be limited to the usual,

**reasonable and customary** charges in the area or country in which the **treatment** is provided. This applies whether **we** pay the benefit provider directly, or you pay the costs and claim this back from **us**.

6.7: Any discount which has been negotiated directly between the **Company** and providers will be specifically used by the **Company** for the overall benefit of the **customers** within the **insurance** product as a whole.

6.8: Any ex-gratia payments are at the **Company's** discretion. If the **Company** makes a payment to which the **customer** is not entitled under the **insurance**, this will still count toward the annual maximum cover per person per policy year.

6.8.1 The **Company** is not required to pay for any **treatment** or condition that is not covered by the **customer's insurance** cover, even if the **Company** has paid an earlier claim for similar or identical **treatments** or conditions, including where such earlier payment was made at the **Company's** error.

6.9: The **Company's** global health **insurance** products are non-U.S. **insurance** products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). The **Company's insurance** products may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and the **Company** is unable to provide tax reporting on

behalf of those U.S. taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not the **customer** is subject to its requirements will depend on a number of factors. The **customer** should consult an independent professional financial or tax advisor for guidance. For **customers** whose coverage is provided under a group **insurance**, the **customer** should speak to the group health **insurance** administrator for more information.

#### Art. 7

7.1.1: The Hospital Plan shall cover the medical expenses incurred by the **customer's**

7.1.2: The **Company** shall be notified immediately of any stays in hospital in accordance with Art. 13.3.

7.1.3: Maternity benefits are covered in accordance to the **benefit limits** listed in the Table of Benefits and include routine postnatal care for the newborn. Routine postnatal care includes **treatment** of physiological jaundice if not caused by an underlying disease and the newborn's hospital stay does not exceed the mother's hospital stay.

#### Art. 8 Module 1

10.13: Cover shall be provided subject to the attending specialist and the **Company's** medical consultant agreeing on the necessity of transferring the **customer** and agreeing whether the **customer** should be transferred to his/her **country of residence**/home country or to the nearest appropriate place of **treatment**. In case of disagreement, the decision of the **Company's** medical consultant shall prevail.

The evacuation expenses for an eligible transportation are only covered if the transportation is arranged or pre-authorised by the **Company**.

10.14: The expenses for transportation covered under the **insurance**, but not arranged by the **Company**, shall only be compensated with an amount equivalent to the expenses the **Company** would have incurred, had the **Company** arranged the transportation.

10.15: The **insurance** shall cover reasonable and necessary transportation expenses for one person accompanying the **customer**.

10.16: Only one transportation is covered in connection with one course of an illness.

10.17: Module 3 shall only apply if the illness is covered under the **insurance**.

10.18: In the event that the **customer** is evacuated/repatriated for the purpose of receiving **treatment**, he/she and the accompanying person, if any, shall be reimbursed for the expenses for a return journey to the **customer's** place of residence/home country. The return journey shall be made within three months after **treatment** has been completed. Cover shall only be provided for travel expenses equivalent to the cost of an aeroplane ticket on economy class, as a maximum.

**We** do not pay any other costs related to the evacuation/repatriation such as travel costs or hotel accommodation. In some cases, it may be medically necessary for you to travel from hospital to the airport and vice versa by taxi or any other means of transport, such as an ambulance. In these cases, and when pre-authorised by **us**, **we** will pay for such travel costs.

10.19: In the event that the **customer** has received **treatment** covered by the **insurance**, but now has reached the **terminal phase**, he/she and the accompanying person, if any, shall be reimbursed for the expenses of the return journey to the **customer's** place of residence.

### Art. 13 Making a claim

13.1: **We** want it to be simple for you to make a claim. **We** try to pay providers directly but sometimes this isn't possible.

13.2: Before **we** can pay a claim, **we** need to make sure that it is a valid claim. The claim form gives **us** the information that **we** need to check that your claim is valid. Please make sure that you complete the form. If not, **we** may have to ask for more information. This can take time and delay any payment. An incomplete claim form is the most common reason for delayed payments. You can:

- complete a claim form in MembersWorld, or
- contact **us** and **we** will send you one.

You must make a separate claim for each:

- member
- condition
- in-patient or day-patient stay, and
- currency of claim.

If you need **treatment** for more than six months, **we** can ask you to complete a new claim form.

13.2.1: **We** need to receive the completed form, with any invoices, receipts and prescriptions related to the claim. This must be within two years of receiving the **treatment**. **We** do not pay claims that **we** receive more than two years after **treatment** unless there is a good reason why you couldn't make the claim earlier.

13.3: **We** may ask for more information about your claim. For example:

- medical reports or other information about your **treatment**
- the results of any medical examination by a medical practitioner who **we** appointed and that **we** paid for.

If you don't give **us** the information **we** ask for, **we** may not be able to pay your claim.

13.4: **We** only pay for **treatment**:

- you have while you are on the policy
- up to the benefit levels that apply at the time you have it
- costs that are **reasonable and customary**.

**We** can't return original **documents** to you - for example invoices. However, when you make a claim, you can send **us** copies. If you do send an original **document**, **we** can send you a copy if you ask **us**.

13.5: If you are aged 16 or over, **we**'ll explain to you how **we** have dealt with your claim. For dependants aged 15 and under, **we** will write to the **policyholder**.

13.6: Where possible, **we** follow the instructions in the 'Payment details' section of the claim form.

13.6.1: **We** only make payments to the:

- member who received the **treatment**
- provider of the **treatment**
- **policyholder**
- executor or administrator of the member's estate.

13.6.2: **We** pay a dependant only if:

- they received the **treatment**
- they are aged 16 or over, and
- **we** have their bank details.

**We** do not make payments to anyone else.

13.6.3: Payment method

**We** can:

- transfer payment to your bank account. This is quick and secure. However, **we** can send a payment only if **we** know details of where to send the payment, for example the full account number, SWIFT code, bank address and (in Europe only) IBAN number.
- pay by cheque. You should cash a cheque within six months. If you have an out-of-date cheque, please contact **us** and **we** will replace it.

If your bank charges you for a transfer **we** make, **we** will try to refund this as well. **We** do not pay any other bank charges, for example currency exchange fees.

13.6.4: **We** will reimburse you in the currency:

- in which **we** receive the premium
- of the invoices you send **us**, or
- of your bank account.

Sometimes banking rules may not let **us** pay in the currency you would like. So, **we** will pay in the currency **we** receive the premium in.

Very rarely, paying in a certain currency may be illegal or expose **us** (or the **Bupa Group**) to United Nations sanctions. If so:

- **we** may not be able to pay you immediately, or
- will pay you in a currency which **we** are allowed to and able to.

13.6.5: **We** use the rate that is in place in the UK on the invoice date. If there is no invoice date, **we** will use your **treatment** date. The exchange rate **we** use will be from a leading market provider of rates. Please call **us** if you would like more details.

13.7: What do **we** do to detect and prevent fraud? **We** can check your details with:

- fraud prevention agencies
- other insurers, and
- other relevant third parties.

13.7.1: If you give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use these records to:

- help make decisions about cover for you and members of your plan
- help make decisions on other **insurance** proposals and claims for you and members of your plan/group
- trace debtors, recover debt, prevent fraud and to manage your **insurance** plans
- establish your identity
- undertake credit searches and other fraud searches.

13.8: If a claim on the policy is fraudulent in any way, **we** can:

- refuse to pay it and any later claim
- recover any payments **we** have already made for it and for any later claim.

**We** will only pay **our** share of the costs.

#### Art. 15

##### Payment of premium

15.1: Premiums are determined by the **Company** and shall be payable in advance. The **Company** adjusts the premiums once a year as from the **policy anniversary** on the basis of changes in the cover and/or the loss experience in the **insurance** class during the previous calendar year.

15.2: The premium is age-related and will therefore also be adjusted on the first **policy anniversary** after the **customer's** birthday.

15.3: The initial premium shall fall due on the **original date of joining**. The **policyholder** may choose between quarterly, semi-annual and annual payment.

15.4: Changes in the terms of payment can only be made at 30 days' notice by email, letter or phone prior to the **policy anniversary**.

15.5: The premium is due on the **due date** stated in the premium notice.

15.6: The **policyholder** shall be responsible for punctual payment of the premium to the **Company**. If the premium has not been received by the **Company** on the **due date**, the **Company's** liability shall cease.

15.7: The **policyholder's** attention is drawn to Art. 6.5 regarding payment of outstanding amounts.

15.8: Other charges, such as Insurance Premium Tax (IPT), or other taxes, levies or charges, depending on the laws of the **policyholder's country of residence** may apply. If they apply to the **policyholder's insurance** premium, they will be included within the total that has to be paid on the premium notice. The charges may apply each time when the premium payment is due, from the **original date of joining**, the anniversary of the **original date of joining** or the date of registration of a new **customer** on the policy. The **policyholder** must pay these charges to **us** when paying the premiums or when adding a new **customer** to the policy, unless otherwise required by law.

#### Art. 16

##### Information necessary to the Company

16.1: The **policyholder** and/or the dependant shall be under the obligation to notify the **Company** by email, letter or phone of any changes of name or address, change in residency, and changes in health insurance cover with another company, including a consolidated company. The **policyholder** is required to immediately notify the **Company** if any of the **customers** become a permanent resident of the U.S., as described under Article 17.7. The **Company** must also be notified in the event of death of the **policyholder** or a dependant. The **Company** shall not be liable for the consequences if the **policyholder** and/or the dependant fails to notify the **Company** in such events.

16.2: The **policyholder** and/or the dependant shall also be under the obligation to provide the **Company** with all information reasonably required for the **Company's** handling of the **policyholder's** and/or the dependant's claims against the **Company**, including provision of original invoices upon request from the **Company**.

16.3: In addition, the **Company** shall be entitled to seek information about the **customer's** state of health and to contact any hospital or **specialist** who is treating or has been treating the **customer** for physical or mental illnesses or disorders.

Furthermore, the **Company** shall be entitled to obtain any medical records or other written reports and statements concerning the **customer's** state of health.

16.4: The **Company** fully complies with applicable data protection legislation (see also Art. 21). Generally, **we** therefore cannot disclose any personal or sensitive information (eg. medical information) nor discuss cases with anyone not authorised by the **customer** in question. It is therefore recommended that the **customer** authorises any person he or she wants to share information with. A third party authorisation form will be provided by the **Company** on request.

## Art. 17 Assignment, cancellation, termination and expiry

17.1: Without the prior written consent of the **Company**, no party shall be entitled to create a charge on or assign the rights under the **insurance**.

17.2: The **insurance** is automatically renewed on each **policy anniversary**.

17.2.1: The **insurance** may be terminated by the **policyholder** with effect from 14 days' prior notice by email, letter or phone. The **insurance** shall be effective for 12 months as a minimum.

17.2.2: The **policyholder** has the right to withdraw from the purchase of the **insurance**. The period during which the **insurance** can be withdrawn lasts 30 days and begins on the date on which the

**policyholder** has entered into the **insurance** agreement. This will normally be on the date on which the **policyholder** has purchased the **insurance** and/or received 20 the **insurance documents**. The **policyholder** has a right to

receive certain information about the right to cancel the **insurance** and about the **insurance**. The notice period for cancellation does not commence until the **policyholder** has received this

information in writing (e.g. on paper or by email). If, for example, the **policyholder** receives the **insurance documents**, and also has received the above information, eg on the 1st, he/she can cancel the **insurance** until and including the 31st. If the period expires on a public holiday, Saturday or Sunday, the **policyholder** can wait until the following day. If the **policyholder** wants to withdraw the **insurance** the **Company** must be notified by letter, email or phone. The **Company's** contact details are listed at the end of this **document**. It is sufficient that the **Company** is contacted before the expiry of the notice period.

17.3: Where upon taking out the **insurance** or subsequently, the **policyholder** and/or the dependant has fraudulently changed original **documents** or disclosed incorrect information or withheld facts which may be regarded as being of importance to the **Company**, the **insurance** contract shall be void and shall not be binding on the **Company**.

17.4: Where upon taking out the **insurance** or subsequently, the **policyholder** and/or the dependant has disclosed incorrect information, the **insurance** contract shall be void, and the **Company** shall not be liable if the **Company** would not have accepted the **insurance** if the correct information had been disclosed. If the

**Company** would have accepted the **insurance** but on other terms, the **Company** shall be liable to the extent to which the **Company** would have undertaken the obligations in accordance with the agreed premium.

17.4.1: In the event that the **insurance** contract is considered void, according to Art. 17.3 or Art 17.4, the **Company** shall be entitled to a service charge which is set as a specified percentage of the premium paid.

17.5: Where upon taking out the **insurance**, the **policyholder** and/or the dependant neither knew nor should have known that the information disclosed by him/her was incorrect, the **Company** shall be liable as if such incorrect information had not been disclosed.

17.6: The **Company** can stop or suspend an **insurance** product at three months' notice prior to the **policy anniversary**, and offer the **customer** an equivalent **insurance** cover.

17.7: The **policyholder** is required to immediately notify the **Company** by email, letter or phone if any of the **customers** become a permanent resident of the U.S., failing which the **Company** may terminate the **insurance** with immediate effect or (where permitted to continue the **insurance** until such date) with effect from the **policy anniversary**. The **Company** may terminate the **insurance** with immediate effect or (where permitted to continue the **insurance** until such date) with effect from the **policy anniversary**, if the law of the country in which the **customer** is located, or the **customer's** country of residence or nationality, or any other law which applies to the **Company** or this **insurance**, prohibits the provision of healthcare cover by the

**Company** to local nationals, residents or citizens.

Without limitation to the foregoing, the **insurance** shall not be renewed at the next **policy anniversary** if the **policyholder** becomes a permanent resident of the U.S., and, if a **customer** who is not the **policyholder** becomes a resident of the U.S., their cover under the **insurance** shall not be renewed at the next **policy anniversary**.

'Permanent resident' shall mean a person residing in the U.S. who is a citizen of or who is permitted under applicable laws to live and work, on a permanent basis, in the U.S., and 'U.S.' shall include the Commonwealth of Puerto Rico for this purpose.

This Art. 17.7 only applies to **insurances** with an **original date of joining** after 31 December 2015.

17.8: Sanction clause

The **Company** will not provide cover nor pay claims under this **insurance** policy if the

**Company's** obligations (or the obligations of the **Company's** group companies and administrators) under the laws of any relevant jurisdiction, including UK, European Union, the United States of America, or international law, prevent the **Company** from doing so. The **Company** will normally tell the **policyholder** if this is the case unless this would be unlawful or would compromise the **Company's** reasonable security measures. This **insurance** policy does not provide cover to the extent that such cover would expose the **Company** (or the **Company's** group companies and administrators) to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, UK or United States of America, or under other relevant international law. This Art. 17.8 only applies to **insurances** with an **original date of joining** on or after 1 January 2016.

17.9: The **Company's** liability in connection with the **insurance**, including liability for payment for medical expenses for ongoing **treatment**, after-effects or consequential damages in connection with an injury or illness incurred or treated during the **insurance** period, shall automatically cease upon expiry, cancellation or termination of the **insurance**.

Accordingly, upon expiry, cancellation or termination of the **insurance**, a **customer's** right to claim payment shall cease. Claims for payment of medical expenses incurred during the **insurance**

period must be filed within six months of the date of expiry, cancellation or termination of the **insurance** in order to be eligible for payment.
