

Your coverage zone

The cover provided by **your policy** is limited to within the **coverage zone** stated on **your certificate of insurance**.

When we use the term '**emergency treatment**' throughout this **agreement**, we mean **treatment**:

- that is covered by **your plan**;
- that is immediately required if **you** suffer an **accident**, or if **you** suffer a sudden and unforeseen illness that **you** have never suffered from before;
- that is not for a **pre-existing medical condition**; and
- that is not for a condition for which **you** have a **personal medical exclusion**.

Please also note that even if **your policy** gives **you** cover in the USA, **we** do not cover emergency medical evacuations to, from, or within the USA.

Zone 1

Worldwide cover, with restricted cover in the USA.

You have cover in the USA during **temporary trips** of up to 45 days' duration from the date on which **you** enter the USA.

While in the USA, **you** have cover for **emergency treatment** only up to US\$50,000 or £33,000 or €37,500 per **policy year**.

There's no limit to the number of **temporary trips** **you** can make to the USA.

Additional cover in the USA

If **you** have the USA cover option, **you** will see it stated on **your certificate of insurance**.

USA-45

You have cover in the USA for **temporary trips** of up to 45 days' duration from the date on which **you** enter the country. **Your** cover ends when a trip exceeds 45 days' duration.

While in the USA, **you** have cover for eligible **treatment** and care up to US\$250,000 per **policy year**. Within this amount, **you** have the following cover:

- up to US\$100,000 for elective, eligible **treatment** and care costs
- up to US\$250,000 for **emergency treatment**

There's no limit to the number of **temporary trips** **you** can make to the USA.

What you're covered for

The following **table of benefits** sets out the cover provided by each **plan**. The **plan** you have is as shown on **your certificate of insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in US dollars, sterling, and Euros. The currency of the benefit limits that we will apply to **your plan** is shown on **your Certificate of Insurance**.

The limits shown in the **table of benefits** are the maximum amounts we will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. You must be covered by the same **plan** for the full duration of the specified **waiting period** before you can **claim** for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

Wherever the term *Full cover* appears in the **table of benefits**, this means a full refund of **reasonable and customary** charges,

less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care you receive.

Where there is a lifetime benefit limit, this is the maximum amount we will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. You are only eligible for these benefits if you have selected them and they are stated on **your certificate of insurance**.

There are certain benefits in the **table of benefits** for which you must obtain pre-authorization. If you do not obtain pre-authorization for these benefits, we will only pay 80% of the **reasonable and customary** cost of **treatment**.

If **your certificate of insurance** indicates that you have cover for **treatment** in a semi-private room or general ward, and you receive **treatment** in a higher tier room, then the cover we provide for all of **your treatment** and accommodation costs will be subject to a **co-insurance**. This means you will need to contribute towards **your treatment** and accommodation costs.

If **your certificate of insurance** indicates that you do not have full cover for **treatment** in a private room, in a **restricted hospital in Hong Kong** and you receive **treatment** in a private room in a **restricted hospital in Hong Kong** then the cover we provide for all of **your treatment** and accommodation costs will be subject to a **co-insurance**.

If **your certificate of insurance** indicates that you have cover for **treatment** in a semi-private room or in a general ward, and also that you do not have cover for full **treatment** in a private room in a **restricted hospital in Hong Kong**, and you receive **treatment** in a higher tier room than you are entitled to, in a **restricted hospital in Hong Kong**, both **co-insurances** will apply to your claim.

For more detail please refer to the *If you need to make a claim receiving treatment in a higher tier room or restricted hospital section of this agreement*.

The **table of benefits** should be read in conjunction with the *What you're not covered for* section of this **agreement**.
