Welcome to AXA

Thank you for choosing AXA

Please read carefully all documents that **we** have provided and keep them in a safe place.

If **you** have any questions, need anything explaining or believe this contract does not meet **your** needs, please contact **us** or **your** insurance adviser.

Your policy

Your policy is a contract of insurance between **you** and **us** and **you** have a duty to make a fair presentation of the risk to **us** in accordance with the law.

The **policy** describes the insurance cover for which **we** have accepted **your** premium.

This insurance is renewable provided that **we** agree to accept **your** premium for any subsequent **period of insurance**. A new schedule will be issued for each **period of insurance** showing any changes to **your** cover.

Your policy is divided into a number of sections. The policy wording, schedule and any endorsement must be read together. Where a section does not apply, **your** schedule will state that it is 'not covered'.

Throughout this **policy**, **we** use defined terms. Defined terms are used to explain what a word means and are highlighted in bold blue print. Details of the Policy definitions can be found on page 5.

Headings have been used for **your** guidance and to help **you** understand the cover provided. The headings do not form part of the contract.

To help **you** understand the cover provided **we** have added 'What is covered' and 'What is not covered'.

Under the heading 'What is covered' **we** give information on the insurance provided. This must be read with 'What is not covered', the Policy conditions and the Section conditions at all times.

Under the heading 'What is not covered' **we** draw **your** attention to what is excluded from **your policy**.

Fair presentation of risk condition

You have a duty to make a fair presentation of the risk which **you** wish to insure. This applies prior to the start of **your policy**, if any variation is required during the **period of insurance** and prior to each renewal. If **you** do not comply with this condition then

- 1 if the failure to make a fair presentation of the risk is deliberate or reckless **we** can elect to make **your policy** void and keep the premium. This means treating the **policy** as if it had not existed and that **we** will not return **your** premium or,
- 2 if the failure to make a fair presentation of the risk is not deliberate or reckless and **we** would not have provided cover had **you** made a fair presentation, then **we** can elect to make **your policy** void and return **your** premium or,
- 3 if the failure to make a fair presentation of the risk is not deliberate or reckless and **we** would have issued cover on different terms had **you** made a fair presentation of the risk then **we** can:
 - a reduce proportionately any amount paid or payable in respect of a claim under **your policy** using the following formula. **We** will divide the premium actually charged by the premium which **we** would have charged had **you** made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the amount of the claim to be paid or payable; and/or
 - b treat **your policy** as if it had included the different terms (other than payment of the premium) that **we** would have imposed had **you** made a fair presentation.

- 4 Where **we** elect to apply one of the above then
- a if **we** elect to make **your policy** void, this will be from the start of the **policy**, or the date of variation or from the date of renewal
 - b **we** will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the **policy**, or the date of variation or from the date of renewal
 - c **we** will treat the **policy** as having different terms imposed from the start of the **policy**, or the date of variation or from the date of renewal
- depending on when the failure to make a fair presentation occurs.

Flat roof condition

Any flat portions of the roof of the **building(s)** must have been inspected in the last 2 years, and be subject to further inspections at least once every 2 years, by a professional roofing contractor and any recommendations implemented. If **your** roof has not previously been inspected then **you** must have this done within 90 days from the start date of **your policy**.

If **you** do not comply with this condition **you** will not be covered and **we** will not pay **your** claim.

Fraud condition

You and anyone acting for **you** must not act in a fraudulent way.

If **you** or anyone acting for **you**

- 1 knowingly makes a fraudulent or exaggerated claim under **your policy**
- 2 knowingly makes a false statement in support of a claim (whether or not the claim itself is genuine), or
- 3 knowingly submit a false or forged document in support of a claim (whether or not the claim itself is genuine),

we will:

- a refuse to pay the claim
- b declare the **policy** void from the date of the fraudulent act without any refund of premiums.

We may also inform the police of the circumstances.

Instalments condition

If **you** fail to pay a premium instalment to **us** on the date due, this will result in **your policy** being cancelled from the date the missed instalment was due. **You** will not be entitled to any return of premium where this happens.

If a claim has been made or there has been any incident likely to lead to a claim during the current **period of insurance** the annual premium remains due in full.

Law applicable to this policy

You and **we** can choose the law which applies to this **policy**. **We** propose that the Law of England and Wales shall apply. Unless **we** and **you** agree otherwise, the Law of England and Wales shall apply to this **policy**.

- 1 prevent or protect against injury, loss or damage
- 2 keep **your property, landlord's contents**, machinery, plant and equipment in good condition and in full working order
- 3 remedy any defect or any danger that becomes apparent, as soon as possible.

If required by **us**, **you** must allow access to **your** premises and/or activities of **your business** to carry out inspection or survey. **You** must complete any risk requirements that **we** ask for, within the period of time advised by **us**, and ensure that all such improvements remain in place throughout the duration of this **policy**.

We will not pay **your** claim where **you** have not complied with this condition.

This condition does not apply to the Employers' liability section.

Sanctions condition

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of **your policy** that **we** will not provide cover, or pay any claim or provide any benefit under **your policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, or **our** parent, subsidiary or any AXA Group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.

Subrogation (our rights) condition

We will be entitled to undertake in **your** name or on **your** behalf

- 1 the defence or settlement of any claim
- 2 steps to enforce rights against any other party before or after payment is made by **us**.

Day one average cover

Subject to the following special conditions, the amount payable for **property** under sums shown as the 'declared value' in **your** schedule will be calculated as reinstatement of the **damaged property**.

For this purpose, reinstatement means

- 1** the rebuilding or replacement of **damaged property**, which provided **our** liability is not increased may be completed
 - a** in any manner suitable to **your** requirements
 - b** on a different site
- 2** the repair or restoration of **damaged property**

You have stated the declared value, shown in **your** schedule for each **property**, and the premium has been calculated accordingly.

Declared value means **your** assessment of the cost of reinstatement of each **property** at the level of costs applying at the start of the **period of insurance** (ignoring inflationary factors which may operate subsequently) together with an allowance for

- 2 If at the time of **damage** the declared value of the **property** **you** are claiming for is less than the cost of reinstatement at the start of the **period of insurance**, **our** liability for any **damage** will be proportionately reduced and will be limited to the proportion that the declared value bears to the cost of reinstatement.
- 3 **Our** liability for the repair or restoration of **property damaged** in

part only, will not exceed the amount which would have been paid had the **property** been completely destroyed.

- 4 No payment will be made beyond the amount that would have been payable in the absence of this Day one average cover extension
 - a unless reinstatement starts and proceeds without unreasonable delay
 - b until the cost of reinstatement has been incurred
 - c if the **property** at the time of the **damage** is insured by any other insurance which is not on the same basis of reinstatement.

If **you** do not comply with Special condition 4 or **you** decide not to rebuild the **property** in a condition equal to but not better or more extensive than its condition when new then this cover is cancelled and **our** and **your** rights and liabilities in respect of the **damage** will be subject to the following condition of average (under insurance).

The cover for each **property** is deemed to be subject to average i.e. if the **property** at the time of **damage** is valued at more than 115% of the declared value stated in **your** schedule, then **you** will be considered as self-insured for the difference and will be responsible for a proportionate share of the loss.

Conditions may specify circumstances whereby non-compliance will mean that

Average condition
