Welcome

Willkommen. Bienvenue. Bienvenido.

EN **Journey gives your clients increased flexibility and options.** To accurately reflect the cost of your client's future country of residence we have split the world into 5 pricing zones. This means that premiums are relative to the cost of local treatment and are not influenced by other countries that have higher medical costs. We offer the right plan for your client's budget and needs. You identify the cost of their cover by the plan level they have chosen, the deductibles and co-payments your clients want to pay before the insurance covers the costs and the age of each person on the plan. To select the right premium simply follow the 3 steps shown on the next page.

⚠ Please note: Prices are indicated as monthly premiums in EUR per insured person. Insurance premium tax and other governmental levies are not included within these rates, as they vary from country to country. Please also note that individual eligibility for insurance cover in certain countries may depend upon our compliance evaluation.

DE **Journey bietet Ihren Kunden höhere Flexibilität und mehr Optionen.** Um die Kosten des künftigen Aufenthaltslandes Ihres Kunden konkret berücksichtigen zu können, haben wir die Welt in fünf Preiszonen eingeteilt. Das bedeutet, dass die Beiträge an die lokalen Behandlungskosten angepasst sind und nicht durch Länder mit höheren medizinischen Kosten beeinflusst werden. Wir bieten den richtigen Tarif für das Budget und die Bedürfnisse Ihres Kunden an. Sie ermitteln die anfallenden Beiträge anhand des gewählten Tarifs, der Selbstbeteiligungen und Zuzahlungen, die Ihre Kunden bis zum Eintreten der Versicherung zu zahlen bereit sind, sowie des Alters jeder versicherten Person. Wie Sie den korrekten Beitrag in nur drei Schritten ermitteln, ist auf der folgenden Seite erläutert.

⚠ Bitte beachten Sie, dass die Preise als monatliche Beiträge in EUR pro versicherte Person angegeben sind. Die Versicherungssteuer und andere gesetzliche Gebühren sind dabei noch nicht berücksichtigt, weil sie von Land zu Land verschieden sind. Bitte beachten Sie außerdem, dass eine endgültige Zusage über die Versicherbarkeit in bestimmten Ländern erst nach einer individuellen Compliance Prüfung erfolgen kann.

FR **Journey procure à vos clients davantage de flexibilité et d'options.** Pour assurer une tarification cohérente avec le futur pays de résidence de vos clients, nous avons divisé le monde en cinq zones de tarification. Ce qui veut dire que les primes sont en rapport avec les coûts locaux de traitement et ne sont pas influencées par les pratiques d'autres pays où les frais médicaux sont plus élevés. Nous proposons le plan d'assurance adapté au budget et aux besoins de vos clients. Vous déterminez le coût de leur couverture en fonction de la formule qu'ils ont choisie, de la franchise et du co-paiement qu'ils souhaitent régler avant que l'assurance n'intervienne, ainsi que de l'âge de chaque personne assurée. Pour sélectionner la prime adéquate, suivez simplement les trois étapes indiquées à la page suivante.

⚠ Rappel : Les prix sont indiqués sous forme de primes mensuelles en EUR par personne assurée. La taxe sur les primes d'assurance et autres prélèvements gouvernementaux ne sont pas inclus dans ces tarifs étant donné qu'ils varient d'un pays à l'autre. Veuillez noter que l'admissibilité individuelle à la couverture d'assurance peut dans certains pays dépendre de notre évaluation par rapport à la conformité de la législation.

ES **Journey ofrece a sus clientes más flexibilidad y más opciones.** Para reflejar exactamente el coste en el futuro país de residencia de su cliente, hemos dividido el mundo en cinco zonas tarifarias. Eso significa que las primas van en consonancia con el coste del tratamiento local, y no están influidas por las tarifas de otros países con costes médicos superiores. Ofrecemos la modalidad más ajustada al presupuesto y a las necesidades de sus clientes. Usted determina el coste de las coberturas en función del nivel de modalidad seleccionado, así como de los importes de deducible y copago que sus clientes estén dispuestos a asumir antes de que el seguro empiece a cubrir los gastos. Además, la prima varía según la edad de cada persona incluida en la modalidad. Para calcular la prima correspondiente, siga los tres pasos indicados en la página siguiente.

⚠ Tenga en cuenta que los precios se muestran como primas mensuales en euros por cada persona asegurada. Estos importes no incluyen los impuestos ni otros gravámenes aplicables a la prima del seguro, ya que su cuantía puede variar según el país. Asimismo, recuerde que la aceptación individual de una persona como asegurada puede estar sujeta, en determinados países, a nuestra evaluación de conformidad con la legislación local vigente.
